Public Notice – Sunset Strip Drainage and Roadworks & public meeting

Residents are advised that Central Darling Shire Council proposes to commence drainage and roadworks in Lakeview Avenue and Kingfisher Avenue February 2025.

The works will see new drainage pits and pipes installed, new kerb and gutter, road reconstruction and seal at problematic areas.

The works are funded by the federally funded Roads to Recovery Program and the Local Government Recovery Grants program

Residents are invited to attend a preconstruction meeting at the Sunset Strip Community Hall. The Council's Director Shire Services will be in attendance to address any queries residents may have. The details are as follows:

Public Meeting

Date: Monday 13 January 2025

Time: 6pm

All enquiries should be directed to the Council Engineering Depot 08 8083 8800.

Ends.

Regards
