

CENTRAL DARLING SHIRE COUNCIL

January 12, 2024

Wilcannia – Menindee West Road reopened after storm damage

Council is pleased to report that the Wilcannia – Menindee West Road has been reopened this week to traffic, under a road status of caution.

It comes after the road was closed because of recent storm damage. Council staff have been undertaking urgent repair works on three washed out areas of the Wilcannia – Menindee West Road to make the road safe for traffic, after it sustained significant damage from storms in recent days.

Scheduled road maintenance works are still to be completed at the Menindee end of the Wilcannia – Menindee West Road. These works are due to start in early February. Therefore, motorists planning to travel on the road are urged to drive with care and be cautious of wildlife.

People can stay up to date on information about Council road closures by accessing Council's website where the latest road reports are available:
