14 June 2024

## **White Cliffs and Ivanhoe infrastructure projects receive funding boost**

Two local infrastructure projects have been successful in applications for grant funding.

Central Darling Shire Council would like to congratulate the White Cliffs Gymkhana Club and the Ivanhoe Campdraft Association on successfully receiving funding under the NSW Government Community Building Partnership 2023 grant round.

- Ivanhoe Campdraft Grounds Improvements \$14,043
- White Cliffs Gymkhana Club (Amenities Block) \$6,375

Once complete the infrastructure projects will result in a significant benefit to the towns.

Both the gymkhana and campdraft are well supported events. They are important for local tourism bringing visitors to the towns.

With the grant assistance the communities can further improve facilities which will not only benefit local residents but also provide yet another reason for visitors to attend these events.

Congratulations to all involved.
