Public Notice – Baaka Cultural Centre Development Application Modification

A development application modification for the Baaka Cultural Centre project is currently on exhibition.

The modification to the original development application will be assessed by an independent planning consultant, not council. This is to avoid conflict of interest as Council is the owner of 42 Reid Street Wilcannia.

The documents can be found on Council's website under the Development Applications on Exhibition Page.

Submissions will be received until 4pm August 21.

Kind Regards

Greg Hill
