

Central Darling Shire Council

Position Vacant Graduate Engineer

Job Information

You will be responsible for assisting the Project Engineer, Road Engineer and Utilities Engineer in the execution of works and services associated with the Shire's operations in general, the construction, maintenance, and repairs of the Shire's road system, water supplies, drainage and sewerage systems, aerodromes and other Council activities.

Further Information

Applications Close 4pm on Monday 23 September 2024

On offer is an opportunity to broaden your skills across a wide range of engineering projects and activities, and/or gain engineering experience in a local government setting.

Key to your success will be your completion (or completion by December 2024) of your degree, and a strong willingness to learn.

Your pay will start from \$75k, plus superannuation and Award allowances.

Subsidised accommodation and commuter use vehicle will be provided.
